New Life International Alliance was founded in the year 2005 as a result of a divine mandate placed on Pastor Ronald B. Dewberry to provide spiritual covering as a spiritual father/mentor to pastors, evangelists, church leaders and congregations, after teaching as an adjunct in various theological academic settings, seminars/workshops, and serving more than twenty-five years in pastoral ministry. The purpose of this network is not to establish a denomination, but to cultivate covenant relationships, provide a forum for networking ministries, to sharpen vision for the Kingdom of God, to shape, and strengthen the gifts that God has given of **Another Dimension** to move ministry toward the destiny that God has birthed and designed.

NLIA, is not directly responsible for the difference of opinions, actions, publications or religious beliefs of any individual or group members within this ecclesiastical assembly; however, it does possess the right to exercise it's authority to refuse association with any person or group engaging in any behavior, religious praxis or doctrinal belief deem to be contrary to the Word of God, non-Christian, anti-Semitic against Jews, or against the expressed purpose of Kingdom building desired for his ministry.
